**Commissioner for Patents**

This application was allowed on September 15, 2009. An Information Disclosure Statement was then filed on December 2, 2009. Upon finding two IDS references, which taught present claims, the Examiner contacted Ms. Houda Morad (attorney for applicant) in an attempt for Examiner's amendment. In a telephone interview, Ms. Morad told the Examiner that applicant decided not to accept the Examiner's amendment and also decided not to pay the issue fee (the applicant understood that it meant that the application would be abandoned). The initialed IDS and Interview summary are enclosed here.
